INTERMEDIATE | IIT-JEE | NEET

An institute that ensures a smooth transition from School to College

ABOUT VINJEE

We are established to lay a path for the students who are aspiring for a better tomorrow. Registered with the Board of Intermediate Education (BIE), we offer the best coaching for IIT-JEE and NEET along with intermediate.

We are a team of compassionate, highly experienced, knowledgeable, dedicated & student friendly faculty, who will be all along to help your child, focus on systematic study, positive approach, attain excellence and fulfill academic dreams.

Our ideal classroom design creates an effective learning environment that nurtures your child's physical and psychological well being, enabling success in academics.

Our Vision

To be the most trusted educational institution for IIT- JEE (Mains & Advanced) and NEET.

Our Mission

To exceed our student's expectations with innovative and outstanding coaching in IIT-JEE & NEET by providing quality teaching with an aim to guide students to achieve success.

D. Y. Varma
Chairman & Faculty of Physics
Experience: 22 years

Life lessons along with physics made him unique blend of teacher and mentor.

He believes that every student is unique, needs attention and has different strengths and weaknesses. Understanding this and guiding accordingly is his Mantra for success.

He is proficient in developing strong, supportive relationships with students that enables a more inclusive environment for students to engage in their studies and learning.

He is widely known as 'Physics Varma Sir' among students. Many students approach him for career guidance. His way of teaching is psychologically strengthening and motivating students regularly to make them stay focused till they achieve their goals.

His teaching methodology ensures success not just in entrances, but even after joining professional college, which makes him special as vouched by numerable students.

His years together research on laying a right path for success in IIT-JEE and NEET got appreciations from thousands of parents and students which paved the path for establishing VINJEE and determined to make VINJEE a first choice among many.

T. Damodar Rao
Director & Faculty of Mathematics
Experience: 14 years

A Mathematics lecturer widely known for his tremendous ability to mould each and every student by assessing their performance regularly and improving their mathematics skills.

His class begins with the recapitulation of the previous class, that keeps the ongoing class engaged and completely familiar.

He is a familiar mathematician, appreciated by many parents and students for his dedication and knowledge in and around Kukatpally.

His foresight, planning and perfect to details, adds to the strength of the institute.

V.V. Apparao
Principal-Admin
Experience: 18 years

He is well known for his amicability with student's parents.

It's an undeniable fact that he is available round the clock to respond to the queries of parents

He has been providing unrelenting service in the field of education (Administration)

At VINJEE, every student is treated at par without any bias, with each student's success as a Motto.

Conceptual clarity is of utmost importance at VINJEE with a focus on analysing each student's strengths and weaknesses.

Class strength is limited to 45, that creates an atmosphere where each student is engaged.

Unforeseen holidays are not a hindrance to learning, as each topic will have sufficient number of hours, is unique at VINJEE.

Our CRT helps you to monitor the attentiveness of your child in class with a test every Saturday to test the overall proficiency in the topic.

Well designed assignments on each micro level concept followed by weekly tests (every Monday) on mixed concepts to develop analytical skills right from basics to advanced levels of the course.

A/c classrooms that has auditorium like design with diffused light system to ensure that every student will be in the field of view of teacher.

Healthy students are more alert, engaged and able to concentrate and learn better. With utmost concern for your child's well being and health, we ensure classrooms, corridors and wash rooms are pristine and hygienic
